F36C

No matter if printing single sheets or continuous form media, whether color labels and tickets or eye-catching business presentations – for all larger batch print run needs requiring color, the Microplex F36C is the flexible, fast and extremely reliable and very economical solution. And a further benefit: thanks to the movable tractor unit, the F36C is easy to use; the optional stacker simplifies handling even further. For materials up to 12.6 inch width the Microplex F36C is the best choice.
